November 2007

Dear Neighbor,

After more than 60 years on Cuyler St. the Palmyra Library will be moving to the former Garlock office building at 402 E. Main St. We are looking forward to offering the people of Palmyra a wider array of library resources and programs in the spacious new building. You can learn more about the library's move by reading the enclosed fact sheet.

In the meantime we continue to face the challenge of meeting the ever-increasing costs of providing the best possible library service to the Palmyra community. In 2007 we added new programs for toddlers, school-age children and teens, purchased additional Internet computers and increased the budget for materials for all age groups. Building maintenance is also an ongoing expense. This year the library completed emergency repairs to the reading room floor and masonry work on the chimneys and exterior brickwork.

We depend on your financial support to meet our expenses and thank you very much for your past generosity. Please send your tax-deductible donation in the enclosed envelope or drop it off at the library. Remember - your contribution is a gift that gives back to the community.

Sincerely,

Holly Jankowski, President  
Library Board of Trustees
